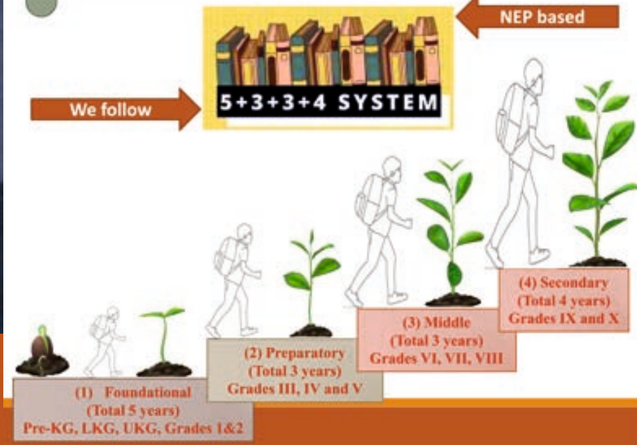
Stella Maris is an educational institution run by the Congregation of the Daughters of Mary. It envisions Holistic Education as its prime concern by which the citizens of India obtain integral development to face the challenges in life



Level 1: Foundational (A)
(Pre-KG)

Kids are our precious gifts. Let us be earnest to show them to the world. Let Stella Maris be the first window that they may gaze at the wonderous world awaiting for them. Here below are some features of our education.

Fine motor skills

Level I: Foundational (B)
(LKG, UKG, Grades 1 & 2)

At this stage the child slowly enters in to learning real life situations. We breakdown for them the tasks into smaller manageable units. We also make them to explore slowly all through the four years. Here below are some of the features of our mode of instruction

Learning to articulate

Learn to resolve

Basic and advanced Calligraphy

Literacy and numeracy focused learning

Gross & Fine motor skills

Level 2: Preparatory
Grades 3, 4 & 5

At this stage we make them to elicit performance by providing excellent tutoring and learning guidance. Children are motivated to practice and review till mastery. They are expected to come out without fear and delicacy.

Inquisitorial atmosphere

Out of box learning

Learning beyond textbooks

Advanced Calligraphy

Basic presentation skills

Chasing the fear of facing the world

Learning to resolve

Level 3: Middle
Classes 6, 7 & 8

At this stage the students are taught to focus on key ideas and their relationship within the same subject and across the subjects. They are instructed to make structural and systematic planning of their own in learning and assessment. What they learn are converted into skill-based presentations

Exploring the frontiers of learning

Interrogational platforms for learning

Knowledge and skill blended learning

Learning through multiple presentations

Self-Assessment

Peer-assessment

Self-designed learning methods
